

Cooperation Between Governments
IT Sub-Committee Notes
Date: May 20, 2008 @ 1:00 p.m.

Present:

Connie Frey, Michael Gradis, Mindy Reilly, and Don Nelson

Old Business:

None discussed.

New Business:

Along with the Gov QA constituent services web portal, there are also two other similar products; E-Gov Strategies and E-Gov Link. After looking at the specs for all three, GovQA seems to fit the needs of the Jackson County community best.

Connie Frey presented a copy of the Continuation of Business plan that she and Jim Freeman have been working on. She has registered with www.surveymonkey.com and will present the plan to each department to be filled out via a secured-connection internet survey. Connie would like to see an annual review of the continuation plan tied to the county audit process.

Next Meeting:

June 17, 1:00 p.m., Room 604, Jackson County Tower Building.

Meeting Adjourned: 2:00 p.m.

Minutes Submitted By: Michael Gradis.
