

Are you interested in receiving a COVID-19 vaccine, but can't get to a clinic?

Jackson County residents in need of an in-home vaccination can call one of the following agencies to ask questions and discuss available options:

- **Region 2 Area Agency on Aging (517) 592-1976**
- **Disability Connections (517) 998-3084**
- **Jackson County Department on Aging (517) 788-4364**

Available to all over the age of 16
No proof of specific disability required
In home caregivers can also be vaccinated

Our Mission:

We all are working in partnership with the Center for Family Health and Jackson Community Ambulance to ensure vulnerable residents in our community are protected.
