

OPEN ENROLLMENT IS COMING SOON!

Don't Miss the Opportunity to Enroll in Benefits!

Open Enrollment is the one time of year when you can update and make benefit changes without having to experience a qualified life event or change in status.

In order to prepare, we will be hosting a series of presentations to help you learn and ask questions.

Decoding Medical Terminology: Healthcare can be complicated and hard to understand. Understanding key terms will help you navigate how best to use your benefit coverage.

Benefit Open Enrollment Meeting: Our traditional open enrollment meeting that gives an overview of the full benefit package available for you to elect, how to complete open enrollment and important action steps for you to take.

Differences Between Medical Plans—How to Decide: Jackson County offers two popular, and market competitive medical plan options. It can be hard to understand which plan is best for you and your family. We'll explore tips and ways to make an educated decision specific for your needs.
