

# OPEN ENROLLMENT IS COMING SOON!

## Don't Miss the Opportunity to Enroll in Benefits!

Open Enrollment is the one time of year when you can update and make benefit changes without having to experience a qualified life event or change in status.

In order to prepare, we will be hosting a series of presentations to help you learn and ask questions.

**Becoming a Consumer:** There are many ways to save when it comes to healthcare. Learn about preventive care, cost estimator tools and many other untapped resources available to you.

**Benefit Open Enrollment Meeting:** Our traditional open enrollment meeting that gives an overview of the full benefit package available for you to elect, how to complete open enrollment and important action steps for you to take.
