Seasonal Weight Restrictions

The Jackson County Department of Transportation (JCDOT) will be lifting the Seasonal Weight Restrictions on Monday, March 31, 2025, at 6:00 a.m. The decision marks the end of temporary weight limits that were implemented to protect roadways during the annual spring cycle of thawing and freezing.

Seasonal Weight Restrictions are a crucial measure to prevent damage to roads weakened by fluctuating temperatures.

If you have any questions or need further information, please don't hesitate to contact our office at (517) 788-4230, visit our website (bit.ly/JCDOT), or like our Facebook page.
