Road Closures on S. Jackson Rd. for Tree Removal

Liberty Township, MI — The Jackson County Department of Transportation (JCDOT) will temporarily close portions of S. Jackson Rd. beginning today.

Affected Areas:

- Kimmel Rd. to Liberty Rd. closed today and tomorrow (3/23 & 3/24)
- Liberty Rd. to Jefferson Rd. closed Wednesday and Thursday (3/25 & 3/26)

These closures are part of a roadway safety improvement project funded through a grant awarded to JCDOT to remove hazardous trees along the corridor. The work is being completed in response to a history of off-road crashes in the area and is intended to improve overall roadway safety.

During the closure, local residents and essential services — including emergency response, school transportation, mail delivery, and refuse collection — will maintain access within the affected area. A signed detour route will be in place.

Motorists are encouraged to use alternate routes and plan for additional travel time.

For updates or additional information, please contact the Jackson Department of Transportation at (517) 788-4230 or visit our website (bit.ly/JCDOT), or check out our Facebook page for further information.
